Sandra Bowkun
Alpine Club of Canada
Toronto Section

Dear Sandra Bowkun,

On behalf of Grey Sauble Conservation, we wish to thank the Alpine Club of Canada, Toronto Section, for participating in the Eugenia Falls Conservation Area clean-up held on May 3, 2008.

Incredible is the only word that comes to mind when reflecting on the success of the Eugenia Falls clean-up. The task of cleaning up tires and debris below the escarpment at Eugenia Falls was no small feat. Alpine Club member Bill Buxton was a key organizer for this event, leading a dedicated group of Alpine Club volunteers. The clean-up work was completed beyond expectation with the assistance of over 50 dedicated volunteers which also included the Flesherton-Artemesia Fire Department. To the credit of everyone's hard work, we removed 35 tires and close to a ton of garbage including old car parts and barrels.

Respecting and caring for the environment is everyone's responsibility. Thank you again for doing your part and making a difference.

Yours truly,

Chris Hachey
Land Management Coordinator
